-: ACM Technical (“Group Discussion”) Event Report :-

Introduction:

On the 15th of April 2023, members of the Association for Computing Machinery (ACM) conducted a group discussion event at ‘DADI INSTITUTE OF ENGINEERING & TECHNOLOGY’. The event was organized in the college Seminar Hall-2 and was attended by around 30+ students from the all department.

The event was aimed at providing students with an opportunity to engage in an open-ended discussion about a specific topic related to their field of study.

Event Details:

The event began with a brief introduction from the ACM members, who explained their goals for the discussion and encouraged students to ask questions and share their thoughts. The discussion was open-ended, with participants able to raise some topics related to computer science. Some of the topics discussed included artificial intelligence, Chat GPT, Influence of internet, software recession and the digital rupee.

The event was well-attended, with approximately 30+ students participating. The ACM members facilitated the discussion by posing thought-provoking questions and providing insights based on their experiences in the field. They encouraged participants to share their perspectives and experiences, leading to a lively and engaging discussion.

Overall, the group discussion was a great success, and the students gained a lot of knowledge and inspiration from it. The event concluded with a vote of thanks to the ACM members for their time and effort in organizing the event.

Conclusion:

In conclusion, the group discussion organized by ACM members was a beneficial event for the students, as they gained insights into the latest trends and advancements in the field of computer science and learned about the ethical and social implications of these technologies. The event provided an excellent opportunity for the students to engage with experts in the field and learn from their experiences. We thank the ACM members for their time and effort in organizing the event and look forward to future opportunities to engage with the association.
